

Escalation Clause Addendum

This Addendum is made part of the purchase offer for the Property below.

BUYER(S)	SELLER(S)	
BASE OFFER PRICE (\$)	ESCALATION INCREMENT (\$)	MAXIMUM PRICE (\$)

HOW THE ESCALATION WORKS

If the Seller receives one or more bona fide competing offers with a net price higher than the base offer price above, the Buyer's offer price automatically increases to the highest such competing offer plus the escalation increment, but never above the maximum price stated above.

The Seller must deliver a complete copy of the competing offer (with buyer identity redacted as needed) with any acceptance relying on this clause. All other terms of the Buyer's offer remain unchanged.
